### Freedom of Information

**Responsibility:** Clerk/Full Council  
**Review Cycle:** Annually, or earlier in the event of legislative changes

Date of Adoption/Renewal	Date for review
May 2020	May 2021

### The Freedom of Information Act

The Freedom of Information Act grants to members of the public rights of access to all kinds of recorded information held by a wide range of public authorities.

Information about the Act is available from the Information Commissioner's Office at [www.ico.gov.uk](http://www.ico.gov.uk)

### Publication Scheme

The Act requires every public authority to adopt and maintain a generic model publication scheme which should be adopted and operated by all public authorities from 1 January 2009. It is intended to provide everyone interested in the Council with a comprehensive guide to the information that the Council will automatically or routinely publish or otherwise makes available to the public.

### Freedom of Information Requests and the Publication Scheme

It is important to note that a publication scheme simply sets out the information that is routinely available. Information that is not listed in the Information Available Guide of this document can still be requested and it will be made available unless it can be legitimately withheld. This can be done by making a written request to the Clerk who will reply within 20 working days after receipt of the request.

### The Council's Commitment to the Act

The Council is committed to openness and accountability and already makes large amounts of information available to the public, through its website, via the telephone, by post, at monthly Community cafes, or by personal visits to the Clerk's Office at The Old Station Groombridge, where much of the information can be viewed free of charge.

It will be necessary to book an appointment.

## **2. MODEL PUBLICATION SCHEME**

This model publication scheme has been prepared and approved by the Information Commissioner. It may be adopted without modification by any public authority without further approval and will be valid until further notice.

This publication scheme commits an authority to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the authority.

Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits an authority:

- 2 To specify the information which is held by the authority and falls within the classifications below.
- 3 To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.

- 5 To review and update on a regular basis the information the authority makes available under this scheme.

6 To produce a schedule of any fees charged for access to information which is made proactively available.
